*At the World's First Permanent Disc Golf Course, Est. 1974*

### 2015 Bag Tag Challenge Rules

1. Everyone is on their honor to conduct themselves according to the rules and within the spirit of competition. Have fun. It's only a tag. The purpose of the Bag Tag Challenge is to encourage friendly competition.
2. **All challenges must be accepted.** The higher Bag Tag (challenger) challenges the lower Bag Tag (challenged).
3. Each player must have their Bag Tag at all times. Bag Tags must be plainly visible and can not be hidden.
4. Friendly side wagers of any kind can be made at the discretion of the participants, but are NOT required.
5. Challenges are to be made by choosing times and courses that are reasonable. The challenged player must give the challenger two (2) times to meet in the next two (2) weeks or they must forfeit the tag. If the challenger can not meet that timeline, the challenge is void. Not showing up for a match results in a forfeit. (20 minute leeway)
6. The challenged player picks the course, tees and format. Format choices include: stroke play or match play. PDGA rules apply. If the challenger wins the round, the tags are exchanged.
7. Ties are won by the holder of the lower bag tag at the beginning of the round. However, if ALL players agree BEFORE the round starts; a play-off hole(s) can be used as a tie-breaker using sudden death rules.
8. Incomplete round: If a player does not complete a bag tag challenge round, the exiting player should trade tags with the player with the highest tag number. If play is stopped by all players before the round is complete, no tags are exchanged. This could be due to hazardous weather, physical emergency or mutual agreement.
9. Multiple people at the same course at the same time can have a group challenge with 5 or less playing in the group. If more than 5 are present the group must split into cards of at least 3 and play proceeds as if it were a tournament/league.

### 2015 Bag Tag Challenge Rules

10. TOURNAMENTS/LEAGUES: All MUST participate in challenges at a tournament. No Match Play unless tournament is Match Play. (Handicapped leagues: play is straight scores)
11. The tags are thrown into a pool and distributed by score at the end of the event not round by round. No sudden death to decide ties and final nine rounds/playoffs exempt from challenges.
12. Players holding tags MUST update the club with the results of each challenge. Please post the result of the bag tag challenge on the Oak Grove Facebook Group.
- 13. The winner of the challenge is responsible for reporting the results of the challenge.**
14. Players wishing to get information as to who holds each tag may check at the Oak Grove Disc Golf Club web page <http://www.ogdgc.org>.
15. When a tag is lost, the number is dropped from the standings.
16. Multiple violations of the rules will have their number dropped from the standings.
17. Lost Tags, Members can purchase a new tag for \$10.00 and will receive the lowest numbered tag available.
